AVILIGN Instruments is a pure instrument manufacturer of the highest quality using German forgings. We are using most advanced machining process and quality control system. Since the foundation of company, our claim has remained unchanged.

AVILIGN is a family owned and operated business, dedicated to provide healthcare professionals with the instruments, they need to perform their art. AVILIGN has been serving the industry for over 70 years.

Mr. Yaqub Ahmed; the founder and acting chairman had his training for manufacturing techniques from USA and Tuttlingen – Germany. His son and current acting director, Mr. Salman Ahmed joined the family business almost 20 years ago.

AVILIGN is committed to provide a product line that guarantees quality and extraordinary value its user. This satisfaction and cooperation has become a hallmark of our instruments. All the instruments are made with best quality materials, imported from Germany. These instruments are carried as **100% German** manufactured. we strive to match or exceed the requirements and expectations of our clients. We pledge to provide you with the finest in materials, craftsmanship and value available in our industry. As a matter of fact, we guarantee it.

We have a team of highly skilled, experienced and dedicated craftsmen and the most modern, state of the art factory in the region. We invest in the latest German polishing, Grinding, Heat treatment, Laser Welding, Laser Marking machines to ensure that our instruments can hold their own with even the priciest branded lines.

Instrument manufacturing process at AVILIGN follows the German documentation, very strictly. Each instrument must pass all prescribed and documented tests during its manufacturing cycle. Each instrument travels through its manufacturing process with written test instructions and technical drawing against which the manufacturing batch is checked. Every step of this process is documented, very carefully. Only instruments those passes their quality tests, are marked, cleaned and then released for packing and storage.

As we are convinced of the high quality of our surgical instruments, we offer our customers an unlimited warranty if our instrument exhibit a defect in material or workmanship despite our highly careful inspection and testing.

AVILIGN works with world's top most quality selling companies and is committed to keep its quality and craftsmanship for the years coming ahead.

Diagnostics	1-2
